**Our School Web site** – MPS School’s website namely [www.mahindraschool.com](http://www.mahindraschool.com) is an interactive website which is always updated and provides powerful medium for communication and interactive.

**Staff-** We have an extremely strong team of well qualified, talented, skilled ,Computer literate teachers.

**Education at MPS-** Activity based education at MPS School is based on project approach with exposure through field visits, research projects, Science workshops and presentations. The Education system in our school aims at helping students in understanding the facts by working hands on, applying simpler way so as to arouse interest and develop better understanding in their subject.

### **Online Classes-**

The School created awareness amongst the parents and students through a written Message prepared by the Principal to understand the importance of online teaching learning process during pandemic period.

A timetable was prepared to conduct the teaching learning process smoothly. The School started with the online session in the Month of May above 94-95% students attend the online session, other due to some network issue or some medical reasons were supported through offline medium.

In Online classes various tests assigned in the form of Google Forms gave an analysis of the performance of the class and question wise mapping weekly test and activities were conducted to monitor the teaching learning process. The periodic test was conducted online mode.

Our teachers not only covered the scholastic areas but also the Co-Scholastic like dance, Music Art, Yoga. Our Physical Instructors kept students occupied by sending them videos, on health and fitness and easy exercises that could be done at home.

### **School Labs**

**Maths Labs-** To explore mathematical concept in practical manner and create visual impact of Mathematical concepts, The school has well equipped Maths lab where students of class 1 to 8<sup>th</sup> visit regularly and learn maths easily.

**Science Lab-** School has established three Science Labs which stimulate the need of students to know how things work. These labs develop little scientists and help to teach scientific principles in the most amazing way.

**School Library** -The School has one well stocked library with thousands of books, for teacher and students.

**Medical Room-** The School has well equipped medical room for first aid treatment .A nurse is appointed for treating medical emergency and school is connected to nearby Hospital.

**Activity Room-** An Activity room well equipped with toys, games and with Music system for all students.

**Seminar Hall-** School functions and parents meeting are conducted in the school seminar Hall.

**Sports Ground-** The school has an in campus play ground to bring out the sporting spirit of children and spirit of sportsmanship.

### **Competition:-**

To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment is sufficiently created through inter- school, inter house and inter- class competition such as debates, Quiz, Rangoli, Rhyme , drawing and power – point competitions. Our students took part in various inter-school competitions.

**Quiz Contest-** To cope up with this competitive society, it is necessary for our students to get updated with current affairs, plenty of quiz contests were conducted to develop their general knowledge and intellectuality.

**Religious festivals** – We at GIS always celebrate religious festivals with divine, message and entertainment. Ganesh Chaturthi, Bakrid, Christmas , Krishna Jayanti , Navratri, Deepawali , Pongal , etc.

**National Day Celebrations** -The school celebrate all the National festivals like Independence Day Republic Day, Teacher Day and Children's Day with great respect and devotion to the country and to the country men.
